Members Absent: John Mathys, Tricia Mathys, Marcia Krull, Shannon Ng and Jill Ryther.

New Member: Luanne Galizio.

Guest: Luanne Galizio.

Lorie opened the meeting at 9:35.

Minutes: It was moved, seconded and approved to accept the minutes.

Speaker: Luanne Galizio is new to Idyllwild and filled us in on her background and will take over the Children's Program. It was moved, seconded and approved to accept Luanne as Children's Program Chair.

Home School Science Fair: Laura Eversole proposed that the library sponsor a Science Fair. Five children have already signed up and will form one group. Home-schooled children from Idyllwild and Anza are eligible to sign up. Laura asked that the Friends donate the first prize of \$150.00. It was moved, seconded and approved that we give \$150.00 out of the Children's Programming Fund. Joye suggested that the Friends help with decorations/organization.

Lego: Paulette Donaldson, who is working with Carol on an adult Lego evening, is getting Lego company commitments in abundance so the date has now been set for April 25th at 5:30.

Bags: John requested that the Board approve funds to order more centennial bags. It was moved, seconded and approved to allocate \$300.00 from the Building Fund to purchase 150 bags with a logo to be determined by John and Chris.

Name Badges: Carol is still working on getting the badges.

Web Site: Jeri is concerned that the site is out-of-date and inaccurate. This job could be done by a new member. Desiree will advertise the position.

Lady Bug Readers/Book Club: Mary informed us that the book club is being advertised as a joint effort with the library/Friends' support. The program, presented by a local author, will be Monday, March 20th at 1:00 PM.

Programming: Jeri reminded us that Shannon asked one of us to be responsible for a program each month and wondered what was happening with the proposal. (See February minutes). Lorie expressed the opinion that one person should be in charge.
